Competition Handbook
You’re Invited!

Thank you for your interest in the 2015 California State Fair Competitive Exhibits Program. The California State Fair has hosted competitions for more than 160 years in an effort to recognize the best of the Golden State. The Competitive Programs help inspire Californians and showcase their achievements.

From the very beginning in 1854, the State Fair was the place to show the latest advances in technology, agriculture and talent. That tradition continues today.

More than 750,000 visitors are expected to come to the State Fair this summer. Many of those individuals come primarily to see the various exhibits that will be on display. Your work is an integral part of our celebration and we look forward to showcasing your talent at the Fair from July 10 -26.

Sincerely,

The State Fair
The California State Fair was originally formed as the California Agricultural Society in 1854. The goal was to provide a public platform for competition, showcasing the very best the State of California had to offer. Many innovations were first showcased at the annual State Fair. We continue the tradition today of showcasing the very best.

Why Compete?
For more than 160 years, this competition and exhibition has attracted many artists who have become “big names” in the visual arts. “California State Fair” appears on the resume of a great many of the state’s distinguished artists. Exhibiting at the State Fair is a great way to build those ever-important exhibition credits on your resume, especially for those who are just beginning their career as an artist or for those who are re-emerging after putting art “on hold” while pursuing another career. Exhibiting at the State Fair also exposes your artwork to a large and diverse audience. And, finally, entering and satisfying all of the requirements is a good way to gain experience in submitting artwork to galleries and to national and international shows.

How to Enter
Review all of the information in this handbook, taking note of entry deadlines, delivery dates and directions, entry requirements and rules, department name, entry divisions and classes you will enter. The California State Fair has implemented ShoWorks, a user-friendly online entry program. All entries must be completed online and all entry fees paid by credit card (Visa or Mastercard); credit/debit cards are acceptable.

Before you begin online entry to California Fine Art
1. Prepare your digital images for upload
   a. Acceptable file formats are: .jpg (jpeg), .gif, .bmp, .png, or .tiff (see special instructions for video or film entries on page 6)
   b. If you use a photo editing program, save your images in RGB color format (CMYK files will not upload properly).
   c. Maximum file size of the uploaded images must be 6 MB or less; if you are submitting a video or film entry in Division 415 Digital Art see instructions on page 6.
   d. Do not upload signed or watermarked images – these markings prevent the juror from fully appreciating the artwork.
2. Two-dimensional artwork entries are allowed 1 image. Three-dimensional artwork entries are allowed 3 images. For 2-D artworks that are diptychs or triptychs: you will only be allowed to upload one image of the entry; therefore, you should upload one image of the entire artwork. Important: Put the word “diptych” or “triptych” or “set” in the description when inputting information about these entries.
3. Make sure your internet browser is up to date. ATTENTION MAC USERS – image upload to ShoWorks requires an internet browser that has Adobe Flash enabled. Some versions of Safari, the standard Mac browser, do not use Flash. Please use Internet Explorer, Chrome, or Mozilla Firefox when entering and uploading. Check your browser to make sure the Flash add-on is enabled.
4. Our online entry program is not optimized for mobile browsing so entering via a cell phone may be difficult. For the best results, use a desktop, laptop or tablet computer.

In 2014, the following organizations donated Special Awards of $50 to $100 cash or gift cards: Sacramento Fine Arts Center; Northern California Arts; Watercolor Artists of Sacramento; Awards by Kay, Inc.; Cheap Joe’s Art Supplies; Gamblin Artists Colors Company; Inside Publications. It is our expectation that these organizations and more will offer Special Awards in 2015.
5. For easier uploading:
   a. Place your images to be uploaded in a folder on your computer so they are all in the same place and you can easily browse for your upload. For example, create a folder “2015 State Fair Entries” and place all image files in this folder
   b. If you are able to do so, rename each image file with the title of the artwork or a keyword in the title. This will help assure that you upload the correct image for each entry.

6. In the ShoWorks system, you must pay your entry fees before you upload your images. This is why it is important that you know which digital image file belongs to which entry (see 5 a and b, above).

Suggestions for an Easier Upload

1. File name of the digital image should contain the title of the artwork depicted or a key word from the title. Renaming your image file name with at least a portion of the title of the artwork makes easier identification while uploading.
2. Place your images in a folder on your computer so you can easily browse for your upload. For example, create a folder called “Fair Entries”.

3. When you are ready to upload, the entry form will ask you to go to the folder on your computer where you prepared the images for submission. Click the file name and then click the “Upload” button on the entry form.

4. After successfully uploading image, a photo thumbnail will appear on the right side of the screen.

5. If, after you have finished and quit you discover you have uploaded the wrong image file(s) you can log back into “My Account” and select “View/Print transactions made by this Exhibitor” and then select the “Upload Media” button. A second upload to an entry will replace the initial image with the newly uploaded file.

Video Upload Guidelines

The ShoWorks program allows a maximum upload of only 25MB and this is not sufficient for the juror to review a 10 minute film, animation or video in high resolution. Therefore, if you are entering Class 2 in Division 415, please follow these instructions:

1. The file name of the file containing your entry should include either the Entry number or the WEN number (listed on your receipt) and the title of the entry or a keyword from the title.
2. Upload your entry to your YouTube channel or to Vimeo. You may designate the uploaded file as “public” or “link access only” or “private”. “Private” will require a password.
3. Send and email to fineart@calexpo.com with a link to the file on YouTube or Vimeo. If the file is designated as “private” please include the password in this email. If you do not receive an acknowledgement within 48 hours that we have received the link to your entry, please contact the Fine Art Coordinator.
4. If you have more than one entry in Class 2, send a link for each entry. The links you send us will be sent to the Juror for Digital Art.

If your entry is accepted into the competition, please send or deliver your entry on a DVD or CD with the highest possible resolution. See the Rules for accepted entries on page 11 and the Delivery and Shipping requirements on page 12.

17. Although care and diligence will be exercised in the course of receiving and handling entries, the California State Fair is not responsible for any technical malfunctions, failures, omission, interruption or defect of any entries. Juniors Entering Senior Department
All divisions and classes within Junior Departments are intended for Juniors exclusively. Entry into the Junior Department is regulated by age and youth organization requirements as outlined within this competition handbook. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.

However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:
1. A class for the exhibit that is not provided in the Junior Department.
2. Junior Livestock Exhibitors in Breeding Beef, Breeding Sheep, Breeding Swine, Dairy Cattle, Boer Goats, and Market Barrows that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and met all Open Division entry deadlines and guidelines. This rule does not apply to Junior Dairy Goats.
3. Open classes or divisions that allows for
participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year’s Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this handbook.

Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their detailed receipt. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the fair.

Exhibit animals owned in partnership between Seniors and Juniors shall not affect the Junior’s eligibility when the Senior partner is the exhibitor. When violations of this rule occur, the junior exhibitor will not be eligible to compete at the current and following years California State Fair.

Fair Employee Participation
No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, or paid employee.

Disqualification

Disqualification
The State Fair management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the Fair’s Animal Welfare Policies, or has been entered in violation of these rules and regulations.

Entry Disqualifications/Transfers
A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered. It is not, however, the responsibility of the State Fair or judge to transfer an entry to the correct Division and/or Class.

Disqualifications
In the event an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the Fair’s Residue Avoidance Program, DNA Testing Program and those not adhering to the Fair’s schedule for the program), any or all of the following actions may take place:
1. The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.
2. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by Fair Management.
3. Fair Management reserves the right (but does not guarantee) to move entries up in placing
after judging has taken place when an award void is created by a disqualification. This process of moving up judged entries shall only take place, however, when it is clear what the judge’s placing would have been had the disqualified entry not been in competition. For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when 2nd place has been clearly indicated by the judge. If it is not possible to clearly determine a new placing, no change shall take place. When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words 2nd place will now receive 1st money and “no” entry will receive 2nd money.

Cooperation
Exhibitors not cooperating with security personnel or any other Fair officials in all matters of policy, including but not limited to parking, stall/pen/ space assignments and appearance, and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately.

Public Disturbances
Exhibitors causing public disturbances, those who are uncooperative and/or unsportsmanlike, those not following good animal welfare practices as determined by management, or those found in violation of rules or in practices unethical or inimical with the Fair program and/or policies/ procedures shall be penalized by forfeiture of premiums awarded, any and all awards, payments of fines and/or damages to State Property, privileges, and/or disqualification at this or subsequent State Fairs as may be deemed appropriate by the Fair Management and/or the Board of Directors. Further, if the exhibitor and/or exhibitor’s adult supervisor, parent or family member’s actions are deemed to be illegal, inhumane or unethical to livestock, the proper authorities will be notified for further investigation by those agencies for possible prosecution and/or civil penalties.

Probation
Any exhibitor found in violation of any rule may be placed on probation for a period of one year or longer if Fair management deems appropriate.

Judging
The judge(s) shall award first, second or third place, etc., according to merit and if without merit the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.

Judge/Exhibitor Information
No person shall act as a judge in any Division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or is a member of a group of exhibitors.

Judge/Fraternization/Criticism
Judges should avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the Fair’s staff, or to offer any criticism of any exhibit of another. Violators of this rule shall be excluded immediately from the judging area and from competition and be subject to such additional penalties, including cancellations of awards, as the State Fair management shall consider appropriate.

No exhibitor shall receive more than two cash awards in any one class. For the purpose of this rule only, a husband, wife, and unmarried children (including foster children) under 18 years of age shall be considered as being one exhibitor, except that brothers and/or sisters shall be considered as being separate exhibitors in Junior Department classes. This rule shall have no bearing on
consideration in the placing of entries by judges. Ribbons shall be presented in the order of placing by the judges. The management shall, however, pay third money to fourth winner, etc., when the third winner is prohibited from receiving third cash award under the provisions of this rule. (Any entry or exhibit in which one or more members of the family described above has a financial interest shall be included in the limitation of not more than two cash awards per class.)

**Management**
reserves the right to combine or to divide classes in a manner it deems necessary in order to assure adequate competition. In the event of a show change, as a result of this rule, or where classes are established after the close of entries, premiums and awards will be distributed, divided or eliminated in a manner as deemed necessary by Fair Management.

**Judge’s Decision**
The judge’s decision is final. The judge’s decision cannot be protested.

**Chief Judge Policy**
A Chief Judge will be assigned by the Fair, for still exhibits only, to mediate in the event there is a conflict during the judging process. All decisions of the Chief Judge shall be final and may not be protested.

Protests must be based on a violation of rules. The judge’s decisions on awards cannot be protested. No protest shall be considered by the management unless accompanied by a deposit of $100.00 (Cash, money order or certified check). The deposit shall be forfeited if the protest is not upheld. Protests shall be adjudicated by Fair management. Fair management will consult with a member of the California State Fair Board of Directors who shall be designated by the Chairman of the Board. The decision of Fair Management shall be final and unappealable. See special livestock rules for protests in the Livestock Program.

Under no circumstance will any entry which has been previously judged be “rejudged” due to the disqualification or removal of another entry.

**Premium Awards**
Awards, ribbons, tags or cards have no value as payment. Premiums are paid only from the records of the judges sheets.
