Show Us Your Best!

Thank you for your interest in the 2016 California State Fair Competitive Exhibits Program. As a showcase of the Best of California, the California State Fair has hosted competitions for more than 160 years. Our Competitive Exhibits Program is designed to promote achievement and inspire Californians across the Golden State.

From our beginning in 1854, the State Fair was the place to show the latest progress in technology, agriculture, home crafts, arts, education, entertainment, talent, etc. The State's rich tradition of celebrating the best will continue again this summer at your State Fair.

More than 800,000 visitors are expected to visit the State Fair over 17 days. Many of which, come primarily to see the various exhibits that will be on display. Your work is an integral part of our celebration and we look forward to showcasing your talent at the State Fair from July 8-24, 2016.

Why Compete?

The prestigious Home Wine Competition is the largest and oldest amateur competition in California which offers you the opportunity to compete with all California Home Winemakers and receive valuable feedback. Our judges come from a wide array of professions including sommeliers, university professors and professional winemakers. Over fifty judges partner and work extraordinarily hard to evaluate the fruits of your labor. All wine makers who enter their wines are invited to enjoy the Awards Ceremony and wine tasting reception where top award winners pour their best wines. The top award winners from this competition will also be on display at the California State Fair in the Home Winemakers booth.

Competition Overview

The California State Fair Home Wine Competition supports and promotes winemaking as a home craft and is designed to increase the knowledge, skills and abilities of the amateur winemaker. The competition provides an opportunity for these wines to be judged in an organized and professional manner while delivering impartial evaluation feedback, and to recognize talent of the successful home winemaker.

Juniors Entering Senior Department

18. All divisions and classes within Junior Departments are intended for Juniors exclusively. Entry into the Junior Department is regulated by age and youth organization requirements as outlined within this competition handbook. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.

However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:

- a. A class for the exhibit that is not provided in the Junior Department.
- b. Junior Livestock Exhibitors in Breeding Beef, Breeding Sheep, Breeding Swine, Dairy Cattle, Dairy Goats, Boer Goats, and Market Barrows that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and met all Open Division entry deadlines and guidelines.
- c. Open classes or divisions that allows for participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year's Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this handbook.

19. Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their detailed receipt. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the fair.

20. Exhibit animals owned in partnership between Seniors and Juniors shall not affect the Junior's eligibility when the Senior partner is the exhibitor. When violations of this rule occur, the junior exhibitor will not be eligible to compete at the current and following years California State Fair.

Fair Employee Participation

21. No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, or paid employee.

Disqualification

Disqualification

22. The State Fair management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.

Entry Disqualifications/Transfers

23. A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered. It is not, however, the responsibility of the State Fair or judge to transfer an entry to the correct Division and/or Class.

Disqualifications

24. In the event an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the Fair's Residue Avoidance Program, DNA Testing Program and those not adhering to the Fair's schedule for the program), any or all of the following actions may take place:

- a. The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor

shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.

- b. The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by Fair Management.
- c. Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification. This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition. For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when 2nd place has been clearly indicated by the judge. If it is not possible to clearly determine a new placing, no change shall take place. When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words 2nd place will now receive 1st money and "no" entry will receive 2nd money.

Cooperation

25. Exhibitors, their immediate family, leaders, advisors and agents thereof, not cooperating with security personnel or any other Fair officials in all matters of policy, including but not limited to parking, stall/pen/space assignments and appearance, judging and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately and forfeit all awards, premium monies and sale proceeds. Failure to adhere to this rule will result in

being banned from the State Fair.

Public Disturbances

26. Exhibitors causing public disturbances, those who are uncooperative and/or unsportsmanlike, those not following good animal welfare practices as determined by management, or those found in violation of rules or in practices unethical or inimical with the Fair program and/or policies/procedures shall be penalized by forfeiture of premiums awarded, any and all awards, payments of fines and/or damages to State Property, privileges, and/or disqualification at this or subsequent State Fairs as may be deemed appropriate by the Fair Management and/or the Board of Directors. Further, if the exhibitor and/or exhibitor's adult supervisor, parent or family member's actions are deemed to be illegal, inhumane or unethical to livestock, the proper authorities will be notified for further investigation by those agencies for possible prosecution and/or civil penalties.

Probation

27. Any exhibitor found in violation of any rule may be placed on probation for a period of one year or longer if Fair management deems appropriate.

Judging

Judging

28. The judge(s) shall award first, second or third place, etc., according to merit and if without merit the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.

Judge/Exhibitor Information

29. No person shall act as a judge in any Division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or is a member of a group of exhibitors.

Judge/Fraternization/Criticism

30. Judges should avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the Fair's staff, or to offer any criticism of any exhibit of another. Violators of this rule shall be excluded immediately from the judging area and from competition and be subject to such additional penalties, including cancellations of awards, as the State Fair management shall consider appropriate.
31. No exhibitor shall receive more than two cash awards in any one class.
