

BAGS WILL FLY AT THE  
*Inaugural*  
**California State Fair  
Cornhole  
Championships**  
**July 23, 2016**

## What is Cornhole?

Cornhole is known by many names - Corn Toss, Bean Bag Toss, Soft Horseshoes - but the sport is the same.

Teams take turns tossing their bags filled with corn at the opposing board; the first team to score 21 points wins.

If the bag lands on the board, it scores 1 point but scores 3 points if it falls through the hole.

Bags on the board can even be knocked into the hole by other tosses to increase their points.
