California Agriculture Fair Season

I am honored to welcome you to the 2017 season of California's agricultural fairs.

The vibrant culture of livestock competitions, educational exhibits, exhilarating carnival rides and live performances is vitally important to this state. Each fair and fairground exhibit offers an important link to the agricultural community and to the California farmers and ranchers that are a part of this tradition. Every fair showcases a unique aspect of California and the local heritage through its events and activities.

Exhibits showcase local livestock, crops, artwork, baked goods, and arts-and-crafts year round. As a fair exhibitor, local citizens and visitors rely on your expertise to showcase the amazing resources that California provides.

Thank you for your participation and for playing a vital role in California's agricultural community.

Sincerely,

EDMUND G. BROWN JR.

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

December 1, 2016

Here in California, it's always "fair season." It's just one of the many reasons our agricultural community is so fortunate to live and grow in a place so well-suited to what we do. A new year is just around the corner, and that means it's almost time to cut the ribbon on our 2017 season of California's agricultural fairs.

You make that happen. Each year, when the gate closes on the annual fair, our exhibitors set about creating their piece of the next one. In a way, it's a lot like being a farmer: even as we close the barn door on this year's harvest, we are thinking of the blank slate and the new opportunity that awaits us in the season to come.

Fairs and farms are tied together that way, as they always have been. Exhibits and shows, art and innovation, competitions and carnival rides, and my personal favorite: education. Fairs are perhaps our best chance to show-and-tell the story of farming to an audience that may not often think about what agriculture means beyond the pristine produce at the market. Thank you for the role you play in creating a fair full of fun, memorable, educational moments.

Each fair in our state has its own flavor, its own sense of place. The variety of our local fairs mirrors the variety of our state's agriculture, and it reminds us just how diverse and unique California's communities are. As you look forward to your exhibits for 2017, please know that I and our farmers and ranchers appreciate the creativity, innovation and effort that you bring to the fair.

Yours truly,

Karen Ross

No exhibitor shall be entitled to an award which has been disallowed as the result of his own error. The State Fair management shall withhold the payment of awards for exhibits that are ineligible and may recover awards that have been paid for ineligible entries that are disclosed during post audits of State Fair records. However, exhibitors with cause are entitled to question the validity of any disallowance. Such exhibitors should inform the State Fair management immediately, in writing, giving their name, address, complete description of the entry and the reason for requesting reconsideration. Requests will not be considered later than ninety (90) days after receiving notice of disallowance.

Substitution

9. Substitutions may be made in still exhibits only in the same division of the original entry of the original exhibitor, and may be made only if completed by the entry delivery date. Substitutions for livestock must be in the same division of the original entry by the original exhibitor. Substitutions must be made at time of check-in to avoid penalty. Fees may apply for substitutions in excess of two per division. The State Fair or the judge may disqualify or transfer to the correct class any entry which is not a true representative of the division or class in which it is entered.

Previously Entered Entry

10. Any non-animal (still exhibit) entry that has been exhibited at a previous California State Fair is not eligible for entry in the 2017 California State Fair. Once a still exhibit has been entered and judged at the California State Fair it cannot be reentered for competition in any California State Fair competition.

12. The State Fair shall not be responsible for exhibits remaining on the fairgrounds after designated release times. All Still Exhibits or display elements remaining on the fairgrounds after designated release time will be treated as abandoned property and will be disposed of on or before September 1 of the same year.

- h. The California State Fair expressly reserves the right to reject any and all entry forms for any reason whatsoever.

Design

18. The California State Fair assumes total design control over the presentation of the exhibits. Entries designed for hanging and not so equipped will be hung in a manner deemed appropriate by the State Fair. No exhibit changes will be made once the entries have been displayed. Once an entry has been received by the State Fair, no further handling of entry by exhibitor shall be permitted. Relocation and final placement shall be accomplished by State Fair personnel. Entries requiring assembly/disassembly must include detailed instructions and sketches for assembly/disassembly. Instructions should indicate lifting points, unsecured parts and any other information required for such handling. Where necessary bank pins will be utilized to attach exhibits for display.

Juniors Entering Senior Department

19. All divisions and classes within Junior Departments are intended for Juniors exclusively. Entry into the Junior Department is regulated by age and youth organization requirements as outlined within this competition handbook. In no case may a person, group or organization outside of these age requirements (younger or older) be allowed to enter and compete in the Junior department.

However, Juniors may elect to enter, exhibit and compete (animal or non-animal) in the Senior Department when the rules of that department, division or class allow for such. Such entries shall be restricted to:

- a. A class for the exhibit that is not provided in the Junior Department.
 - b. Junior Livestock Exhibitors in Breeding Beef, Breeding Sheep, Breeding Swine, Dairy Cattle, Dairy Goats, Boer Goats, and Market Barrows that officially enter and show in the Junior Livestock Show are eligible to compete in the Open Show as long as the same exhibit/animal is entered and shown in the Junior Show and the same exhibit/animal is entered and met all Open Division entry deadlines and guidelines.
 - c. Open classes or divisions that allows for participation of Juniors due to the open competition being a specialty, feature, regional or national show sanctioned by the State Fair and/or recognized organization. In this case, the Junior exhibitor must also enter and compete (with the same exhibit) in the current year's Junior department, division, class offered for the exhibit. This provision must be printed specifically within the rules of the feature show within this handbook.
20. Anyone under the age of 18 who meets the California State Fair age requirements and is planning to exhibit in a Senior department must have their parent or legal guardian sign their detailed receipt. If the exhibitor is required to be on the fairgrounds, the Junior must be supervised by their parent or legal guardian while at the State Fair.
21. Exhibit animals owned in partnership between Seniors and Juniors shall not affect the Junior's eligibility when the Senior partner is the exhibitor.

State Fair Employee Participation

22. No employee of the State Fair will be permitted to enter an exhibit for competition. No person shall be an exhibitor or sign an entry form as an agent in any Division or Department in which the exhibitor is a department head, judge, or paid employee.

Disqualification

Entry Disqualifications/Transfers

23. A complete exhibit eligible in more than one Division and/or Class shall be entered and judged only in the Division and/or Class for which it best qualifies. The State Fair or the judge may disqualify or transfer to the correct Class (at his/her discretion) any exhibit which is not a true representative of the Division or Class in which it is entered. It is not, however, the responsibility of the State Fair or judge to transfer an entry to the correct Division and/or Class.

Disqualifications

24. The State Fair management shall reserve the right to vacate, declare ineligible for competition, and/or order the removal of any entry which is not in the best interest of the State Fair, is unsightly, unhealthy, injured, lame, unsound, endangers public safety, violates the State Fair's Animal Welfare Policies, or has been entered in violation of these rules and regulations.

25. In the event an entry or an exhibitor is disqualified for any rule or policy violation (including but not limited to practices or procedures that are unethical, those in violation of the State Fair's Residue Avoidance Program, DNA Testing Program and those not adhering to the State Fair's schedule for the program), any or all of the following actions may take place:

- The entry or exhibitor that is disqualified will be declared ineligible and will not receive awards, premium money and/or any sale proceeds. Further, the exhibitor shall be responsible for payment of any fees, fines due or costs incurred by the State as a result of disqualification.
- The owner/exhibitor and members of his/her immediate family will not be eligible to compete in subsequent California State Fair Programs. The extent and degree of future eligibility shall be determined by State Fair Management.
- State Fair Management reserves the right (but does not guarantee) to move entries up in placing after judging has taken place when an award void is created by a disqualification. This process of moving up judged entries shall only take place, however, when it is clear what the judge's placing would have been had the disqualified entry not been in competition. For example, when a Champion is disqualified, the Reserve shall move up and be named the Champion; however, no other changes shall take place below the Reserve Champion. The same shall apply in the case of a class, section or division winner when 2nd place has been clearly indicated by the judge. If it is not possible to clearly determine a new placing, no change shall take place. When a placing change does take place the entry moving up will receive all the awards, appropriate titles and all premiums of the disqualified entry but will not receive any of the original placing awards or premiums won in the second category. In other words 2nd place will now receive 1st money and "no" entry will receive 2nd money.

Cooperation

26. Exhibitors, their immediate family, leaders, advisors and agents thereof, not cooperating with security personnel or any other State Fair officials in all matters of policy, including but not limited to parking, stall/pen/space assignments and appearance, judging and/or animal care will have their entries cancelled and will be ordered to remove their exhibit from the grounds immediately and forfeit all awards, premium monies and sale proceeds. Failure to adhere to this rule will result in being banned from the State Fair.

Public Disturbances

27. Exhibitors causing public disturbances, those who are uncooperative and/or unsportsmanlike, those not following good animal welfare practices as determined by management, or those found

in violation of rules or in practices unethical or inimical with the State Fair program and/or policies/procedures shall be penalized by forfeiture of premiums awarded, any and all awards, payments of fines and/or damages to State Property, privileges, and/or disqualification at this or subsequent State Fairs as may be deemed appropriate by the State Fair Management and/or the Board of Directors. Further, if the exhibitor and/or exhibitor's adult supervisor, parent or family member's actions are deemed to be illegal, inhumane or unethical to livestock, the proper authorities will be notified for further investigation by those agencies for possible prosecution and/or civil penalties.

Probation

28. Any exhibitor found in violation of any rule may be placed on probation for a period of one year or longer if State Fair management deems appropriate.

Judging

Judging

29. The judge(s) shall award first, second or third place, etc., according to merit and if without merit the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in the class.

Judge/Exhibitor Information

30. No person shall act as a judge in any Division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or is a member of a group of exhibitors.

Judge/Fraternization/Criticism

31. Judges should avoid unnecessary fraternization with exhibitors. No person shall be allowed, under any circumstances, to interfere with the judge, or judges, during their adjudications, or with the State Fair's staff, or to offer any criticism of any exhibit of another. Violators of this rule shall be excluded immediately from the judging area and from competition and be subject to such additional penalties, including cancellations of awards, as the State Fair management shall consider appropriate.

32. No exhibitor shall receive more than two cash awards in any one class. For the purpose of this rule only, a husband, wife, and unmarried children (including foster children) under 18 years of age shall be considered as being one exhibitor, except that brothers and/or sisters shall be considered as being separate exhibitors in Junior Department classes. This rule shall have no bearing on consideration in the placing of entries by judges. Ribbons shall be presented in the order of placing by the judges. The management shall, however, pay third money to fourth winner, etc., when the third winner is prohibited from receiving third cash award under the provisions of this rule. (Any entry or exhibit in which one or more members of the family described above has a financial interest shall be included in the limitation of not more than two cash awards per class.)

33. Management reserves the right to combine or to divide classes in a manner it deems necessary in order to assure adequate competition. In the event of a show change, as a result of this rule, or where classes are established after the close of entries, premiums and awards will be distributed, divided or eliminated in a manner as deemed necessary by State Fair Management.

Judge's Decision

34. The judge's decision is final. The judge's decision cannot be protested.

Chief Judge Policy

35. A Chief Judge will be assigned by the State Fair, for still exhibits only, to mediate in the event there is a conflict during the judging process. All decisions of the Chief Judge shall be final and may not be protested.

Protests

36. For still exhibits and horse only - Any protest must be submitted in writing and given to the State Fair's staff member responsible for the Competitive Program in question within 24 hours of the time of the cause of the protest. Protests must be based on a violation of rules and you must reference the rule in your protest. The judge's decisions on awards cannot be protested. No protest shall be considered by the management unless accompanied by a deposit of \$100.00 (Cash, money order or certified check). The deposit shall be forfeited if the protest is not upheld. Protests shall be adjudicated by State Fair management. State Fair management will consult with a member of the California State Fair Board of Directors who shall be designated by the Chairman of the Board. The decision of State Fair Management shall be final and unappealable. See special livestock rules for protests in the Livestock Program.

Rejudging

37. Under no circumstance will any entry which has been previously judged be "rejudged" due to the disqualification or removal of another entry.

Awards

Special Awards

38. Special Awards contributed by businesses or individuals are offered in some California State Fair Competitive Programs. These Special Awards are the obligation of the contributor/donor. The California State Fair is not responsible for redemption of these awards.

Tax Laws

39. It is the responsibility of the exhibitor to investigate and adhere to State and Federal tax laws/regulations regarding premiums paid and awards received. As an out-of-state payee who earns \$1500 or more, we must withhold 7% for State taxes. You can request an exemption or a reduction of this withholding by filling out and submitting the Nonresident Withholding Waiver Request, California Form 588.

Premium Awards

40. Awards, ribbons, tags or cards have no value as payment. Premiums are paid only from the records of the judges sheets. Premium checks will be issued as soon as auditing, drug testing, if applicable, and processing can be completed. If checks are not received by November 15, please phone or write the State Fair. Checks must be cashed within six months of the date of issue. Exhibitors have until December 31 of the same year, to claim checks returned to the State Fair.
