You will need to complete the Megan's Law Form, which requires a list of all owners, managers, volunteers and employees in your exhibit operation who will have access to the grounds during or prior to the California State Fair. This form must be submitted with your completed Space Application. If you have revisions and/or additional members after submission date, a revised list must be re-submitted by **June 26, 2019** and all names must clear before credentials can be distributed.

MERCHANDISE

Because we want all of our exhibitors to have a successful and lucrative fair, you may not give away or sell any items that will create unfair competition for our food vendors, novelty contractors and game vendors. With that said, the following items, including but not limited to, cannot be sold or given away: candy, popcorn, nuts, novelties, balloons, colored postcards or souvenirs, tee shirts, photo buttons, plush animals, badges, canes, whistles, beach balls, small plastic toys, inflatables, patches, stickers, decals, hats and any other item that could create the aforementioned unfair competition to our paid vendors. You are not allowed to sell, give away or display any items not specified in your Agreement. It is also very important for us to keep a diverse mix of products in the Fair. Layout changes may result in your number of stands or booths being reduced. Commercial Exhibitors will not be granted exclusive rights to exhibit, promote, demonstrate and/or sell products or services.

OFFENSIVE ITEMS

We reserve the right to prohibit the sale, rental or display of any item that we reasonably deem objectionable from the standpoint of taste, quality or compatibility with the California Exposition & State Fair. Please note that we will not exercise this right for the purpose of controlling the economic return or to protect exclusive licensing or similar arrangement between State Fair management and others. Some items that will not be considered for sale, giveaway or rental include but are not limited to: weapons of any kind, lasers, high-powered water guns, rubber band guns, toy guns, products made from any endangered animals, pornographic or drug-related items.

PARKING

2019 Parking Rates are \$15 per vehicle. Parking for people who are directly involved with your booth may be requested on Space Application. Please carpool when possible. Issued parking is good for one time use only. If you must drive off-grounds, you will be responsible for return parking fees at \$15 per vehicle. Day of Parking will be issued for Public Lot C.

RAIN

In case of rain, all outside stands and booths may cover up to protect merchandise. Once the rain stops you will need to immediately remove the covers and re-open your operation for the remainder of the day.

California STATE★FAIR

SECURITY

You must not leave your booth or stand unattended at any time during operating hours. Please note that the California State Fair is not responsible for lost, damaged or stolen merchandise. It is a good idea to obtain a temporary insurance policy to cover your displays for the period of the State Fair. Losses or infractions should be reported to the State Fair Police at (916) 263-3050 immediately upon detection. **In case of an emergency, call the State Fair Police (916) 263-3050.**

SMOKING

Smoking is only permitted in designated areas. The designated areas are located near the following: the north and south entrances to the Livestock Pavilion, south ramp off of the spine (between Bldg. A & B Mezzanines), Outside Building C (next to show office entrance), Extreme Zone near west gate and behind the Administration Building. **This rule also applies to Load-In / Load-Out days.**

UNIFORMS

All employees must be tastefully clothed at all times. While uniforms are not mandatory they are highly recommended. If you are an authorized law enforcement officer and a firearm is part of your active uniform an "Active Peace Office Firearms Waiver" must be obtained, completed and submitted at entrance gates. Please request special form from your Program Coordinator.

VIOLATION NOTICES

This Guidebook is part of your Agreement, so non-compliance with any part of this book is considered a breach of your Agreement. A breach of your Agreement may be cause for termination of your Agreement. Violations play an important role when deciding to invite an exhibitor to future California State Fairs. If you violate any part of this Guidebook, a notice of violation will be issued. If the matter is not resolved, further action will be taken, as deemed appropriate by State Fair management. Further action will include, but is not limited to:

- Not being allowed in future Fairs.
- An order to cease operation immediately and vacate the premises.
