

# 2019 SPONSORSHIP OPPORTUNITIES

## Agricultural Heritage Club

The California Agriculture Heritage Club is a prestigious group of families and businesses who are descendants of pioneer ranches, farms, and agribusiness of early California. Their dedication to preserving agriculture's heritage as well as moving the industry forward has made California a proud leader in food production & agriculture. The club's purpose is to recognize families, businesses and special interest that have maintained a financial responsibility in agriculture for at least 100 years.

This year's inductees and members will be honored on Wednesday, July 17, 2019 at a special breakfast and award presentation. Each inductee will be presented with a plaque honoring their family or business.
